Journal Search

The image shows two screenshots of the Scimago Journal & Country Rank (SJR) website. The first screenshot shows the homepage with a search bar containing the text 'Journal of Public Health Policy'. A callout box with the number '1' and the text 'Enter the Journal Name' points to the search bar. The second screenshot shows the search results page. The search bar contains 'journal of public health policy'. A callout box with the number '2' and the text 'The journal that match your search, then click 🖱️ on the journal name' points to the search result for 'Journal of Public Health Policy'. The search result is highlighted with a purple box and contains the following information: 'Journal of Public Health Policy', 'United Kingdom', and 'Palgrave Macmillan Ltd.'. The page number '1 - 1 of 1' is visible at the bottom right of the search results.

3 Journal information page

- Note** **H Index** the H Index expresses the journal's number of articles (h) that have received at least h citations. It quantifies both journal scientific productivity and scientific impact and it is also applicable to scientists, countries, etc.
- Quartiles** Q1 means highest values and Q4 lowest values (Move the mouse to each year of bar chart, Quartile will be displayed)
- SJR** It expresses the average number of weighted citations received in the selected year by the documents published in the selected journal in the three previous years (Move the mouse to each year of line chart, SJR will be displayed)

The screenshot shows the Scimago Journal & Country Rank interface. At the top, there is a search bar and navigation links. Below the search bar, there are several filter dropdowns: 'Medicine', 'Public Health, Environmental and Occupational Health', 'All regions / countries', 'All types', and '2015'. There are also checkboxes for 'Display only Open Access Journals' and 'Citable Docs. (3years)'. A 'Download data' button is visible on the right.

The main content is a table of journal rankings. The columns are: Title, Type, SJR, H index, Total Docs. (2015), Total Docs. (3years), Total Refs., Total Cites (3years), Citable Docs. (3years), Cites / Doc. (2years), and Ref. / Doc. The first three rows are highlighted with callouts:

Title	Type	SJR	H index	Total Docs. (2015)	Total Docs. (3years)	Total Refs.	Total Cites (3years)	Citable Docs. (3years)	Cites / Doc. (2years)	Ref. / Doc.
