## **Books Delivery Service**

The Book Delivery Service is available to CU members who want to borrow the books from other faculty libraries. Requests can be made through the Library Catalog (OPAC) on Chulalinet's Book Delivery Request platform. Once requested, books are promptly delivered to the member's faculty library for easy pickup and return.

## **TERMS AND CONDITIONS:**

- The books status as "Library Use Only" are not available for borrowing.
- Please provide your valid e-mail. Notifications regarding the status of your request will be sent to you via e-mail.
- Pick up the book at your faculty library after receiving the response via e-mail.

## How to use Books Delivery service

- **1** Search for the book that you want to borrow from the OPAC.
- 2 Click on Chulalinet's Book Delivery Request to request the service.
