Journal of Health Research (JHR)

The screenshot shows the JHR website homepage. At the top, there's a navigation bar with 'Chula Digital Collections' and links to 'Home', 'About', 'FAQ', and 'My Account'. The Chulalongkorn University logo is also present. Below this is a large banner with the journal title 'Journal of Health Research' and a green hexagonal pattern. A left sidebar contains links like 'Journal Home', 'About this Journal', 'Editorial Board', 'Instructions to Authors', 'Publication Ethics Statement', 'Announcements', 'Contact Us', 'Submit Article', 'Most Popular Papers', and 'Receive Email Notices or RSS'. The main content area includes a breadcrumb trail 'Home > CUJO > Journal of Health Research', a 'Follow' button, a description of the journal as an open-access, double-blind peer-reviewed international journal, and information about its publishing model starting in 2026. It also mentions an average time to first decision of 34 days. Below this, it highlights the 'Current Issue: Volume 40, Issue 1 (2026)' and lists 'Original Study' articles, such as 'Depressive Symptoms and Functional Disability Among Older Adults in Nakhon Ratchasima Province, Thailand: A Cross-Sectional Population-Based Study' by Jiranya Bureemas and Attawit Singsalasang.

An open-access journal published by the College of Public Health Sciences, Chulalongkorn University. It publishes research articles in public health, public health sciences and related fields.

MOST USED DATABASES

PubMed

A free database with more than 40 million citations in biomedical and life sciences. Some records include links to full-text articles from PubMed Central or publisher websites. **Free access** — no login required.

ScienceDirect

A database for searching peer-reviewed journal articles and book chapters in science, health, medicine, social sciences, and related fields. Some content is open access, while other full-text content requires CU access.

Scopus

A multidisciplinary abstract and citation database for searching academic publications, tracking citations, and checking journal metrics such as **CiteScore** and **Quartile rankings**. Some records also provide **links to full-text articles on publisher websites**.

Journal Citation Reports (JCR)

A journal evaluation database available through the Web of Science platform. It provides journal metrics such as **Journal Impact Factor (JIF)**, **Journal Citation Indicator (JCI)**, and **Quartile rankings**.

ACCESS E-RESOURCES

OpenAthens

An authentication system that allows CU members to **access subscribed e-resources** on or off campus **using your CU Microsoft 365 account**.

You can access OpenAthens through the CU Library website, the MyAthens page, or directly from some database websites by selecting Chulalongkorn University as your institution.

Access E-Resources Anywhere

วิธีการเข้าถึงทรัพยากรสารสนเทศอิเล็กทรอนิกส์

Sign in

With just one simple single sign-on, MyAthens enables you to access all the knowledge you need to achieve great things.

Find your institution

Your university, company or library.

Institution name or email...

Examples: Science Academy, sue@uni.ac.uk, London.

or

Sign in with an OpenAthens account

How to Access OpenAthens

- Find your institution “**Chulalongkorn University**” in the Find your institution box.
- Log in with your **CU Microsoft 365 account: xxxx@student.chula.ac.th**
- After signing in, you can access CU-subscribed databases both on and off campus.

SERVICE & SUPPORT

Borrowing Books

Check out books with **your student ID card**:

- Undergraduate students: 10 items for 20 days
- Graduate students: 20 items for 30 days
- Instructors/Staff: 20 items for 30 days

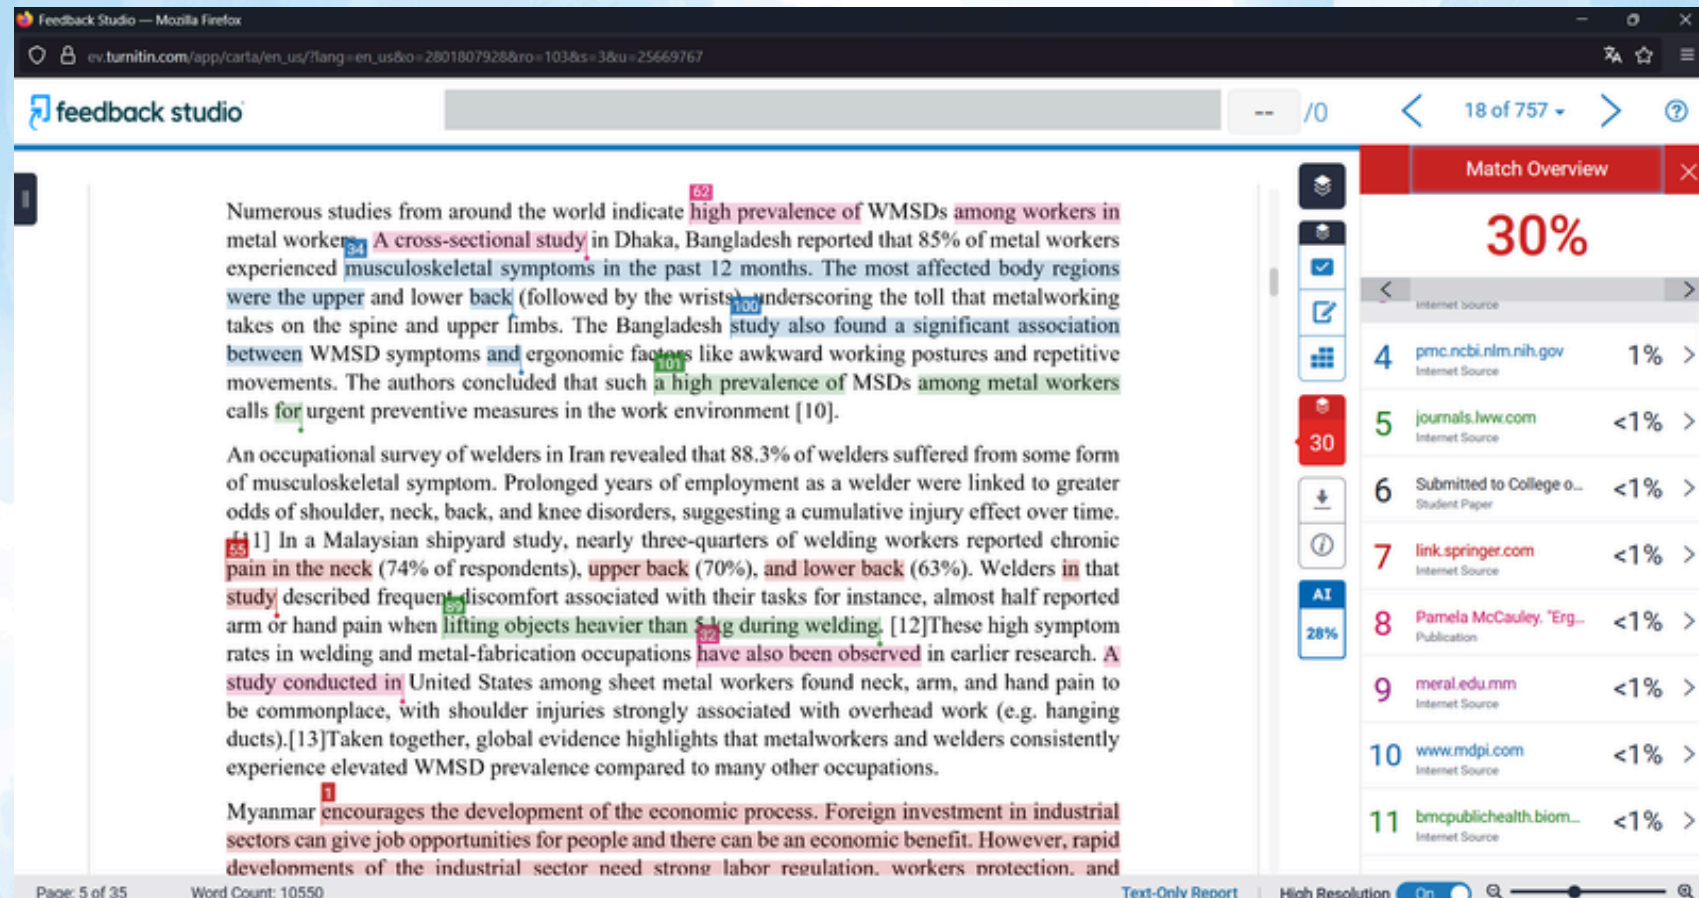

Book Delivery Service

- Request the books from other CU faculty libraries through the Library Catalog (OPAC) using **Chulalinet's Book Delivery Request**.
- The service operates once a day.

Plagiarism Checking (Turnitin)

<https://www.turnitin.com>

- Check similarity and AI writing detection with percentage results for assignments, theses, proposals, and research papers.
- Acceptable similarity score is $\leq 40\%$.

- Students can use Turnitin 3 times per day with their CU email (xxx@student.chula.ac.th). Please contact library staff before using the service.

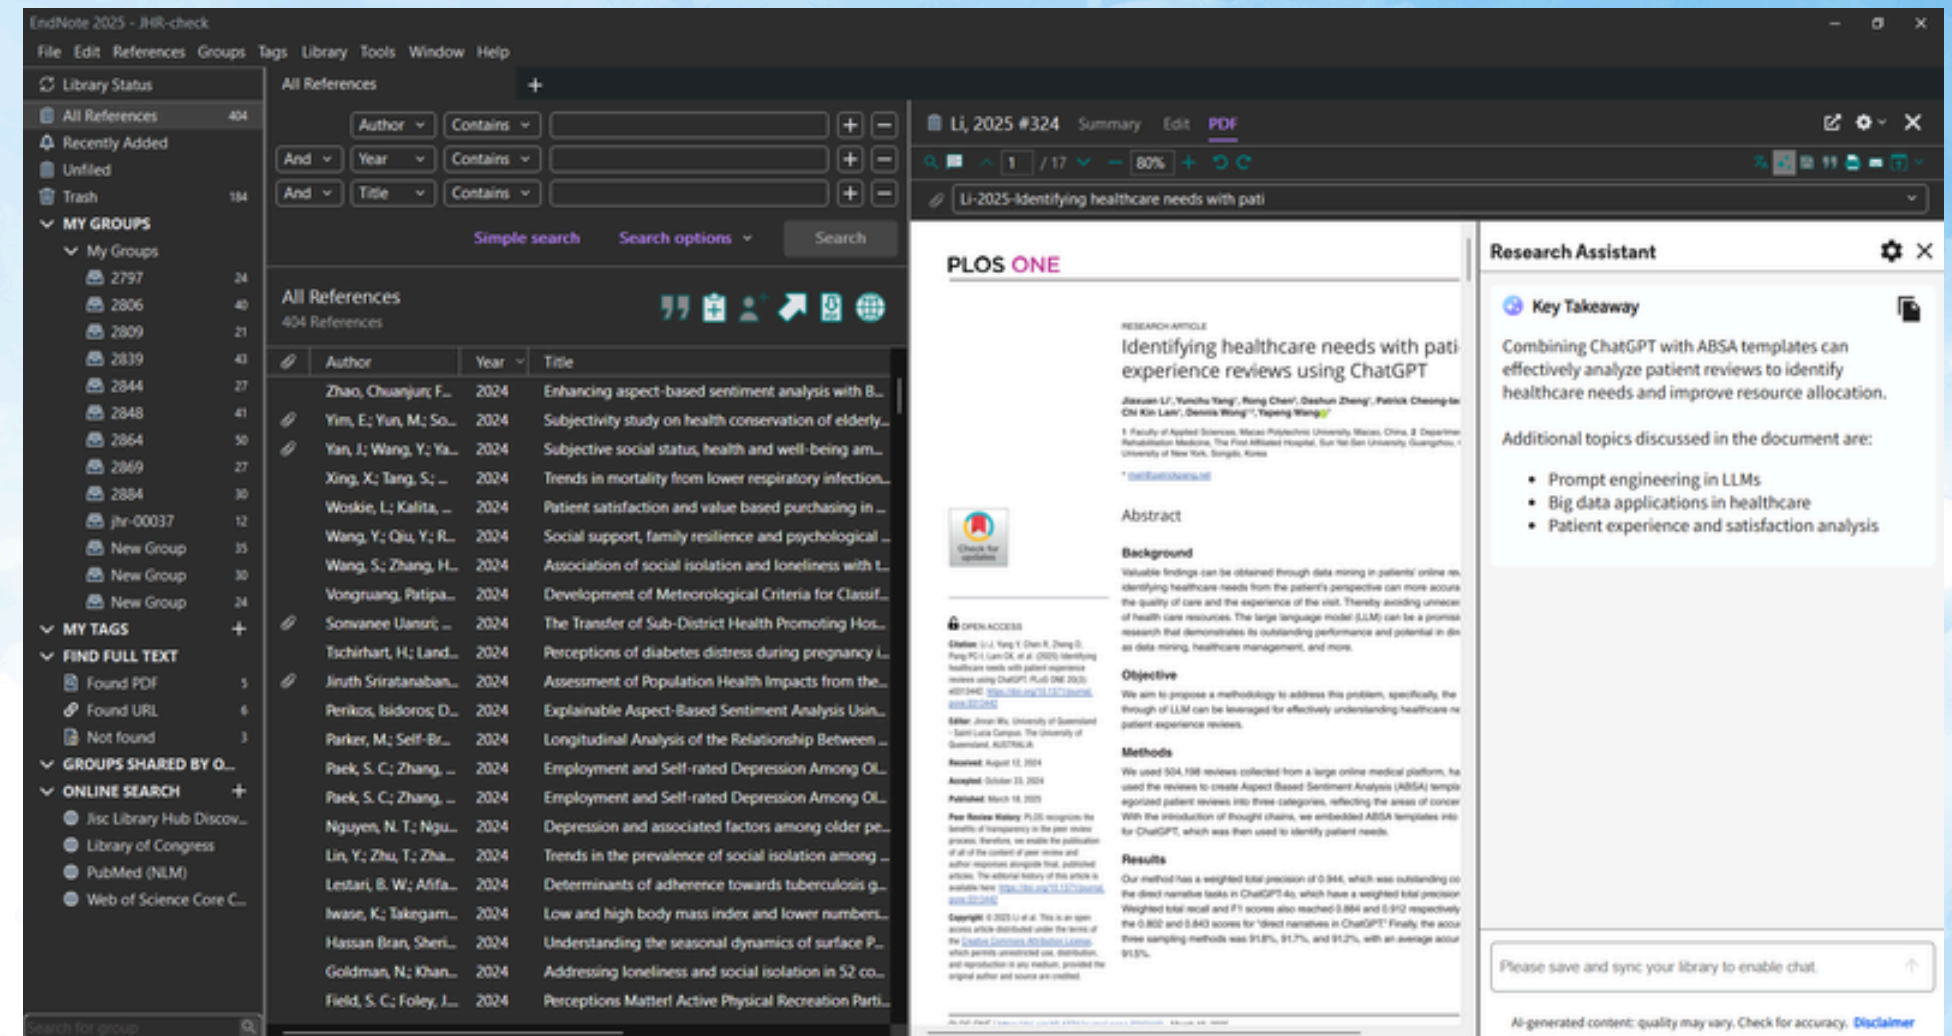

EndNote

- Reference management software for organizing references, inserting citations, and creating reference lists automatically.
- Download the setup file and product key using CU account at <https://www.car.chula.ac.th/endnote.php>

It is required for preparing references in the iThesis system.

If any obstacle in using Mac (can contact us or CU library staff at  CURef)

Journal Indexing & Journal Metrics

Check **journal indexing**, **Quartile rankings**, **CiteScore**, and **Journal Impact Factor**.

Reading & Study Spaces

As the College Library has limited space, students may also use the Central Library or the branch library at Chamchuri 10.

(The Central Library opens 24 hours during exam periods, check the CU Library website for any update).

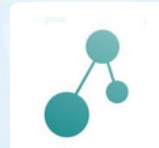

CHULA AIX : GENERATIVE AI

A creative learning space where CU members can explore and use premium AI tools for study, research, writing, and media creation.

Located on the 4th floor of the Central Library (For CU members only).

WHAT TO REMEMBER

- **Start with Single Search when you are not sure where to search.**
- **Use the Library Catalog (OPAC) to search for printed books or request Book Delivery.**
- **Use Chula DigiVerse to find CU theses.**
- **Use OpenAthens with your CU account to access e-resources on and off campus.**
- **Use EndNote to manage your references, as it is required for iThesis.**
- **Use Turnitin to check the similarity score before submitting your assignments, proposals, or theses.**
